Sy, as we used to call him was a good friend. He could fix your brakes in no time. Knowing that he was giving you a big break in the price .That's just the way he was. S.I.P. Sy.you will be missed.

This is how i remember my father, loving everyone, never worried about nothing, living life to the fullest. He's not here in the flesh but will never be forgotten a type of father,sibling and friend he was to everyone. So please remember him for the person he was you can cry, smile ,and remeber his memories especially his favorite saying "Let that be the reason"

I am a Shuman. Alfreda Shuman Williams, daughter of Arthur Shuman (Buster). I don't remember Ulysses, but he is family, and losing family is always hard. May God give us strength during this time of sorrow and allow us to keep memories of him in our hearts. RIP Ulysses.
