“ *Mama Alice was truly one of a kind. We met over 10 years ago at the pool at Kernan hospital. She was jazzy, beautiful, funny, loving, and kind. I'll always remember her in her hats and red lipstick, just strutting. During our last conversation, she told me that she didn't mind 'going home', so I know she's in a great place now. I love you, Mama Alice. Rest in peace, lovely one. Toby*

“ *A scripture I chose in behalf of the legacy of Mrs. Alice P. Timmons, my former mother-in-law is from Matthews 7:7-8. If you asked her anything, she would share her wisdom with you. If she sought out something and at first did not acquire it, she kept on until she found it. If you knocked on her door, she would say...”Just a minute, please”. She opened her door to too many for me to count. What a blessing to the world!*
