“ I will always cherish the memories made in the 70's when we would go bowling, play cards, go to the beach , and we all were like family. After Art and Jean met he became like our big brother and part of the neighborhood . I am saddened to hear of Art's transitioning. I extend my condolences to this precious family 🙏❤️.

“ *My Dear Brother in-law Arthur Burton I am so glad you shared your life, and time here with the Johnson Family. I know you would be the first to tell us God does not make mistakes. The Lord Jesus took you from our presence, but not from our hearts we will miss you very much. As I try to hold back my tears I know that you are just sleeping taking your rest. Loving memories your Sister in-law Avis.*
