Shun there are no words I can say that will give anyone and ideal of my deepest feelings. I remember you following around the house trying to get somebody to read that book “Teeny Tiny Lady” I had to read that book every night. Then you moved with me to Colorado, don't ask me how I convinced your mom to let you go. That will be our little secret. Gone to soon but never forgotten, I love you, so this is not good bye but I will see you when you wake up in glory. 🤔🤔😭😭❤️❤️🙏🙏😊😊
