Barbara, oh my I still can't fathom this. From the first time I met you years ago, you've been special to me. Lord I can't accept this. I really don't believe this. I know Dot, Katie and Regina is going to be so happy to see you and you'll see "you know who" up there also in heaven. He is going to have a big smile like he always did. Get your rest Sis, memories will forever last 🙏🙏
