“ We all here on earth loved you but God loved you best. All of the great memories me, you and Harmony shared will forever live in my heart. You were an exceptional grandmother to my daughter. Always stepping in to lend a helping hand. Making sure when birthdays, holidays, and back to school came around that you were apart of it all. Harmony would always let people know about her "grandma" Betty Ann. She would go on for days about whatever her "grandma" brought her or where ever her "grandma" took her. I would always tell you how I thought Harmony looked and acted just like you. Always making poeple laugh and always acting so scary. Losing you has truly been a hard pill for me to swallow but I know joy comes in the morning. Sleep on Betty Ann - from Opal
