“ *Mama, words cannot express how much I love and miss you. Thank you so much mama for the example you set for me. Thank you for incorporating the love for God and the love for family in my life. You were so strong right to the end. You were still more concerned about us than you were about yourself. Your love and concern for others above yourself was extraordinary. Your commitment to your family and your friends did not go unnoticed. You set the bar high. If I can only be half the woman you were, I will have accomplished much.*

To my Heavenly Father.....Thank you for allowing me to have her for 53 years. Thank you for making sure that she was strong and in her right mind til her final breath. Thank you for speaking comforting words to her....letting her know that it was okay to let go. Thank you Jesus for her salvation and for her teaching me at a young age about You. Thank you for providing the opportunity for us to meet again, through Your Son Jesus Christ. Thank you for favor. Thank you for compassion. Thank you for peace of mind. Thank you for faith in You. Thank you for my mama Betty Jean Gulley.

I love you so much mama.
