“ *We send our love and condolences to the Wright family. Bishop Wright was a powerful man of God that taught me a whole lot about God and his word. We will surely miss his teaching and preaching. We will never forget him. May his soul rest in peace. Love, Willie (Pookie) Render and family.*

“ *To: The Wright Family
You all have my sincere sympathy for the loss of a great person. May his memory be eternally etched in your hearts.
My Uncle Jimmy Dale as I have always called him was a wonderful and God fearing man. He loved his family and his church unconditionally, and wanted the best for his family and his church. It was an honor and a privilege to have him in and a part of my life. Rest in peace Uncle Jimmy Dale, I love you!!
Your niece, Jackie (Jack, or Jack-Jack, or Gal that he called me, but never Jackie)*

“ I remember in 1961 moving to pompano in Carver homes Mr Dec and Miss Ruby had a little storehouse they would also have church services in the yard compelling The neighbors to come to Jesus at that time I was only about 2 years old but I can very vividly the number the one song that they would sing that song was put your time in Payday is coming after a while being a little girl I wasn't allowed to leave the yard but knowing what I know now it was the holy Ghost that was pulling me to want to go over and be in the services with them again because I was a young kid and couldn't leave the yard I would just walk out to the edge of the yard and enjoy the songs and listening to them preach the word of God it was then after a while I would hear Elder Jimmy Dale right and his lovely wife singing along and encouraging others to come to Jesus I often said after growing up and accepting Christ as my personal savior I would often tell people that there would be only three men but I know will be in heaven if I had to say and that would be eligible right Elder with his Lacey and my husband Jessie that was just my kid thought process but knowing what I know now I'm sure there's many lies that he touched that he impact that he empowered with that unadulterated gospel that he preached who has gone on and now resting waiting on that great getting up day I could go on and on but this post will not allow me I would like to say to the family be encouraged take the baton and continue to pursue after Christ and the things of Christ live a life that you will be able to see your parents again and see your loved one again see your uncle again see your pastor again these are just some encouraging words I hope that this will help lift you up. I'm Jackie Bowe/Wilson . God bless each of you is my prayers

“ Bishop Jimmy D. Wright was an awesome Man of got. He stood tall and he also stood tall and firm on the word of God. I remember many visitations from the Healing Temple Minisrty Congregation with the Church of Living God God Pillar and Ground of the Truth in Deerfield Beach, Jewell Dominion and they would worship with us together back when my mother was living & she was the Assistant Pastor . We would have some good ole t l me Tarry Services and Preaching.. Together, we had Prayer Bands back in those days and I always remember Bishop & Mother Wright. Whenever there was a funeral that he preached, he was the 1st pastor I ever remember making an altar call and people actually came and received Christ. He stood on the God's word, never wavering. He taught the unadulterated word of God and didn't mind giving you the flat footed truth of what Thus said the Lord. I thank God for Blessings us as little children to personally know him as a spiritual leader and praying that God gives his family comfort knowing that his work down here is WELL DONE and give them peace that surpasses all understanding. Blessings from The Fulmore family of the late. Rev. Sis. Rosetta Myers-Fulmore & Deacon Willie James Fulmore of Deerfield Beach.
