“ *We were always excited when uncle Brian was going to babysit because we knew he could always make us laugh. He was goofy and funny and had a big heart. I was so excited when he married Sissie. She was such a wonderful addition to our family. I always loved being at their house, playing and cooking and making memories. He was so proud of his daughter Kristina. He truly loved his family and he will be missed.*

“ *I miss you the most at ,when all is silent and quiet and the silence reminds me that you are not coming back home but we will see each other on day again*
