“ *May your memories bring you comfort and strength. In our hearts there is a special place where we store memories of those we love. It is a place where we find comfort and peace in remembering those treasured moments and thoughts of those we hold so dear. I remember cousin Charlie telling me about growing up with my mother in Beckettsville*

I am remembering the last time I saw cousin Charlie I asked him do you remember me and he asked who are you? My reply was who do I LOOK LIKE AND HE IMMEDIATELY SAID BLOSSOM, that's right I said and his next words were your family was suppose to come and live with us after the hurricane in 2005.

Treasured memories we will not forget. With sympathy and caring A father leaves so many beautiful memories.
