“ *Calvin and Family:*

So sorry for your Loss and wish I could be there for the home-going celebration for your beloved Sandy. However , I will forever cherish the memories we had together and all of the good times when we celebrated together with the Re-United class of 1974. Sandy was always there with you Calvin in her own sweet "oh so quiet" way. May God grant you peace at this time that only he alone can give. Never lose sight of the fact that God will grant you all another opportunity , one day, on the other side of Jordan , to celebrate together again , in that Wonderful home he has prepared for all his Children.

*Love Always,
Classmate 1974 and forever Friend,

You guys were blessed with a beautiful, kind, and wonderful mother. A great person who truly loved your father. Cherish the memories that you have of her. 😊
