“ My sincere condolences to the family, also my family in these very difficult times. I know it is not easy when you loose a love one, it leaves a huge gap and it brings much pain. I am asking God to take your hand and lead you through your daily walk, give you strength and courage to see you through and also bring peace and comfort to you. Be strong, God is able to see you through and he will take care of you. May his soul RIP 🙏🙏🙏 much love Lornax

“ *Most of my memories of Uncle Pouchie are from my childhood. He had a bus with an 8 track stereo that he used to play a lot of country music. I'm sure he introduced me to that music genre. Go rest high, Uncle Pouchie. Give my mama a hug for me. Sleep well.*

“ Pouchie as I called him was a genuine quiet and loving person. He loved his family and cared for them. I knew him as a jovial person who never made any problem get him down. Even in his illness he looked at the brighter side of life and had high hopes of getting better. We will miss you dearly so rest in peace brother in law.

“ Uncle Pouchie made a lasting impact on my life through his kindness and support before his passing. He often took the time to share valuable life lessons, guiding me with his wisdom and experience. His generosity was evident in the small gestures, whether it was simply being there to listen when I needed someone to talk to. These moments not only strengthened our bond but also instilled in me a sense of resilience and hope that I carry with me to this day. REST IN PEACE UNCLE. You will always be a part of me.

“ *Dalton affectionately known as Pouchie has been so well respected in Malvern Chase. I remember as a child he was like the father figure for his nieces a nephews especially Charmaine, ensuring everyone fell in line. We as kids always looked up to Pouchie who guided and protected us. I have never heard Pouchie raise his voice. A calm and giving soul. We are so sorry to hear of the loss of Pouchie, our neighbor and a stalwart in our community of Malvern Chase. Always the adult in the room. Pouchie will be greatly missed-Sybil Bent (Grant-Wilson).*
