Fly baby, FLY. Be free, be at peace. Rest in the arms of JESUS the king. All your trying days are over so relax, rest in peace. I know you are in heaven looking down on your family, one day they will see you again. All we have here in this messy world is corruption, crime and violence. You are not missing out on anything except your love ones, but you are now with your Royal family. All your ordeals are over, no more hurting, no more pain. My heart breaks for your family, especially your mother who i know died mentally when you departed this life. 'TEARS are down my face, because i know how it feels losing a child' You are free to soar baby, do all the things you weren't able to do, because of the cruelty of this wicked world. I pray you will meet my son Jevon and you guys will be friends in heaven. My heart ❤️ breaks in so many pieces last year and now but someday, just someday we will all be smiles and laughter. Sleep in eternal piece prince, sleep on. (Erica)
