It's been 2 years since I've heard your voice, seen your smile, and felt your touch.. Words can't explain how much I miss you. So much has happened since you've been gone.. both good and bad things. I'm not mad because I know your in a better place now and god never makes mistakes, I'm just upset because I wish I had a little more time to spend with you and it all didn't happen so fast. But I'm not gonna sit here and type abt how much I miss you because it's not gonna change anything.. just know I love you sooo much and you'll never be forgotten.

Heyy dad💕. Woke up with you on my mind 😔..my birthday was last month. I turned 14 or whatever. So This makes the third birthday I celebrated without you here with me 😞. I miss you sooo much. I already know if you were here..quarantine would've been toooo litt🔥😭😭. Kinda depressed & upset. But I can't sit up here and complain because things happen. God said it was your time so he did what he had to do for the better. Yea I understand that. But I still hate the fact that you left so early 😔. We all miss you so much. I never thought I would feel this type of pain. But I love you and you'll forever have a place in my heart😘💕💕
