*I'll always remember how you'd come out of the kitchen so we could talk when I came in. How from day one you called me brother like you'd known me forever. So grateful we got to spend time together recently, our time was brief but will last an eternity. RIP my brother.*

*I worked with Jack for almost 14 years. Jack was one of the hardest and loyal people I met. He was a kind soul, and a good man. He had a laugh that was contagious. Thank you for all the memories Jack. Soon there will be a day when we will see you again. I will miss you Jack.*
