“ *My dear friend Duane. I only learned this past week of your passing. We had been friends since the third grade in Broward County at Northside Elementary School. The days that you and I spent riding our bicycles all over the City of Ft. Lauderdale and fishing and playing on the beach together have always been great memories for me. I will always cherish those memories. And who could forget that Allstate Motor Scooter that you road on all over town. And Scott's Golf Cart, so many good times. Even though after graduation from Ft. Lauderdale High School are lives caused us to travel in different directions I will always cherish our memories.*

Hope to see you on the other side Duane. Jerry Healy
