“ Uncle Boom Boom as we called you , you really tore me with this one. My heart goes out to the family and close friends dearest to you. You carried such good energy that even on my worst days you never failed to keep a smile on my face. My uncle was always quick to encourage me in the Lord letting me know everything that was done in my life was for the Lords will. In these past few months you’ve watch me bloom into the young woman I’m becoming today still giving me that strong love and discipline . I wanna thank you for every word of love and encouragement ❤️ and for always supporting me no matter what path I choose, forever ain’t always unc , I know I’ll get to see you on the other side of life , with much love and respect your niece

“ I was saddened to learn of the passing of Eddie. We grew up together at the Greater Antioch Missionary Baptist Church. He was a gentle and kind soul and a part of a loving and kind family.
May warm memories of a good person bring his family and friends comfort.
