

Edmund Thomas

August 16, 1954 - March 1, 2024

A life started:

On August 16th, 1954, Gladford Thomas and Viola Cipranni gave birth to Edmund Thomas. He grew up in the West Indies in Maran, St. John, Grenada. Edmund was a part of a blended family.

A life lived:

Growing up, Edmund loved the sea around him and wanted to travel the world. He started a career with Norwegian Cruise Lines. He used his talents in music and service to help others. Edmund was best known for his bright personality and kind heart. He also had a passion for photography.

A life loved:

Edmund often traveled back home to Grenada to visit his family and friends. Edmund soon met his wife Patricia and got married in London in 1989. The couple settled in Florida in 1992 and four years later welcomed a daughter.

A life spent:

After working at sea for several years, Edmund became an entrepreneur in the U.S.

Edmund was a faithful Jehovah's Witness.

In 1998, Edmund sustained a traumatic brain injury in a motor vehicle accident.

He lived for 26 years after doctors said he would only live a maximum of seven years.

Edmund's love for life and family kept him whole. He always stayed positive despite his physical challenges.

A life missed:

On March 1st, 2024, God called Edmund Thomas home.

Edmund leaves behind his family, a family outpouring of love in the U.S. and overseas.

Everyone who knew Edmund knows he loved hard. We now must love each other as he did us.
