“ Daddy, to say it's not so would be robbery. I'm missing you already as I sit here thinking of our many many conversations and reminiscing on the times we've spent together. There were times when I needed someone to talk to and you were there always willing to to listen and give advise on any situation.

As i sit here I can see the smile on your face the last time I saw you. I can hear your voice singing "I Wont Complain" my favorite song, Oh how I loved to hear you sing that song.

My heart is Pure as you know your baby girl Loves you with all her heart. At the end of every conversation hearing you say "Lavoria I love you so much", those words alone was worth a million dollars. I'm going to miss hearing those words from my father. There's no man out here that can take my Fathers place.

Daddy your soul is at peace no more pain or suffering, you're going to be missed!

Love you Daddy,

Lavora Jones
