“ We are truly saddened by the passing of Mother Walcott. But we know that she loved the Lord and is in His presence. She loved being a part of Community Church of God and the Golden Girls Ministry which catered to seniors. She would always choose the best restaurants if they didn't meet in one of their homes. She sang in the Golden Girl Choir which was later changed to the Prayer Band Choir and consisted of senior age men and women.

She also loved riding the church's van and occupied the front passenger seat to help Elder Fullet drive. Lol

She also never forgot to call us on our birthdays each year and sing. You will be truly missed. We love you and are praying for your entire family.

Love Elder and Dr Fuller
