“ *Federli was like a daughter to me I watch her taking her first step and talk. She's a fun, adorable little girl 😊 I love this girl since the first day I seen her she was the blessing for her mom and her dad and know she's gone how we gonna be able to erase those memories. It hurt 😞 so much my baby gone so soon. She's just a child why her hm why her. I love ❤️ you derli you always gonna be in my heart ❤️ forever baby girl 🕊️💔 fly high baby*
