June 18, 1947 - February 15, 2025

The Journey of George Edward Bracy.....

Growing up in the small City of Deerfield Beach, Florida along with his family was this Strong, Healthy, Smart and Tall young man by the name of George Bracy, who was born on June 18, 1947, he was 1 of 9 siblings born to the parentage of the late Mildred Madison-Bracy and Berk Bracy, Sr. Preceding him in death: Rosa Lee, Roger Lee, Berk, Jr., Wilson known as Donnie and Darrell.

As a young child George showed a great interest in various sports, Football, Basketball and Track. The Bracy family has a lineage of exceptional athletes who were also academically sound. In the early 60's Cardinal Gibbons High School was in their Inaugural Stages of their Athletic Programs and as a result of their Athletic abilities, George along with one other Brother, Berk, Jr. and several other African American young men from Deerfield Beach, Fl, attending Blanche Ely High School, were the Diamonds in the Ruff that Cardinal Gibbons High School were looking for to enhance their Athletic Program, they were ultimately recruited and proudly attended this prestigious school which was miles away from home, but George a Warrior and a true team player the distance of 58 miles a day never kept him away from attending school and his practices.

A few accomplishments of George Bracy during his tenure (1962-66) at

C.G.H.S.: Athletic Varsity Letters: Football 2, 3 & 4; Basketball 2, 3 & 4; Track 2, 3 & 4.

Honored at C.G.H.S. 3rd Annual Banquet at Harris Imperial: Best Football Back and Top Basketball Rebounder. On the Football Field: George was known as a gentle giant 6'3"-180lbs, with such great speed. On the Track: George was known for running the 100 yd dash in 10.1 or 10.3 seconds, "if it had been official this would have been a World Record". These quotes coming from one of his longtime classmate and friend Kevin Bolender whom he gives great thanks for his Nomination which led to George being inducted into the Cardinal Gibbons High School Hall of Fame in 2020.

"Reminding us of records in which he researched and found that their Coach Chickorotis stated that there was hardly a week in which George's name wasn't in the School Newspaper called The Voice and the local newspapers. He also stated that George represented their young program very well and kept C.G.H.S. as a contender or a leader in their conference each year. He never had to be disciplined, he was respected as a Christian young man and has led his life the same to this day."

After graduating in 1966 from C.G.H.S. George Bracy received an Athletic Scholarship to attend Bethune Cookman College where he attended for 2 years. After his tenure at Bethune Cookman College, he returned home to pursue a career in the Plumbing Industry. He was employed by Oriole Plumbing and was instrumental in the installations of the properties in Oriole Estates in Lauderdale Lakes, FL. He then transferred jobs working for South Shore Plumbing where he retired. He was a Master in Plumbing and home renovations. After his retirement he continued to do light jobs.
