“ You are still alive in my heart. I never wasted a time to tell you how much I love you and how much you mean to me. You used to call me soft when all I show the others is an emotionless me. I was a sensitive gansta when it comes to you, I can't remember how many times I cried in your name whenever something bad happens to you even at the thought of it too. My tears are now forever.

*I want the world to know how great of a person, a daughter, a sister, a friend, a coworker you are. Your memory will stay alive!!!*

*Fly high “TamieBae” “LeenMara”! Save me a seat cause I'll have a lot to tell. Until we meet again big Sis!*

“ I am truly heartbroken by her passing. It still doesn't feel real that she's no longer here. I remember her kindness, her smile, and the way she made people feel seen. She will always be someone I carry in my heart.

Please know that I'm thinking of your family during this unbearable time. I'm praying that you find strength, comfort, and moments of peace as you navigate this loss. Fly high Tamie🙏🙏🙏 your spirit will live on in all the hearts you touched.

“ *This is how I want to remember you — overflowing with energy, talent, and all the light you brought to everyone around you. I will keep your memory alive for your godchild; she will know exactly who you were, fully and beautifully. Thank you for every touch, every trace of love you left with us.*

*Fly high, my dear. Go rest on a peaceful branch. Breathe.*

*Strength to your whole family, your friends, your sisters. May your energy continue to flow through us and help us move forward.*

*Rest in peace, "Tam pam".*

“ Je t’ai rencontré après le séisme, dans un moment où la vie semblait fragile. De cette épreuve est née une amitié sincère, remplie de projets et de rêves partagés. Ton départ laisse un vide immense, mais ton souvenir restera à jamais gravé dans mon coeur.

“ *Dear best friend, may God welcome you into His infinite peace. You were a gift in my life, a reflection of gentleness and love. Your absence is painful, but I hold on to the hope that your soul rests in the light, far from all suffering. May the Lord comfort those who love you, and keep alive the beauty of your time on earth. 💔*
