“ I am posting this from Cisco, because he doesn't have FB.

I'm going to share a little testimony of my mother Gladys Rodriguez. She was born in Puerto Rico

to Francisco & Cruz Garcia a sibling of 15 children.

She was a daughter, sister , wife, mother, grandmother and great grandmother. She was married to Jose A Rodriguez they were

married for 60 years she had five children; three boys and two girls she lived in the mountains of Sabana Grande PR. She was a very

hard worker out in the coffee fields then in the town school as a cook. Years went by and we came to the states in Florida where she

worked as a cook in different 5 star hotels what a hard worker she was a loving mother. she did her best to give us what we needed.

She went to rest to our Heavenly Father on February 26th. I'm missing you already but one day we will be together again. Love

you forever mom, Sañito

“ My Abuelita ❤️ will be truly missed. She was an amazing person with a big heart. She was always there for me when I needed her. She will always be in my heart forever. She was at the top of my family tree and will always be remembered. My grandmother was an awesome cook she would feed the village. My grandmother is the type of person that would give you the shirt off her back. She lived her life to the fullest 🙏. Me and my sister took her to the beach to see the sun rise early morning with her great granddaughters after getting coffee and donuts. She was so happy and at peace when she saw it for the first time. I know she is not suffering or in pain anymore. She is my angel and will watch us from above forever. I have made so many memories with my grandmother that I will cherish. I'm glad I was able to speak to her and see her one last time. I love her so much and she knows it. Rest in peace my Abuelita xoxo 😊

“ *My grandma was the best. She was a wife, mother, sister and grandmother. We all grew up in her home. My mother is the next generation to continue to keep her home in our family. We have so many memories there. She raise her own family in that home. Watched her grandkids as well. She gave her last breath in her own home leaving peacefully. My grandmother was a strong women that didn't give up without a fight. She has now reunited with her husband, daughter and other love ones. May she rest in peace. □*
