“ *I just discovered this tribute and wanted to share my feelings as I always called him on a weekly basis from my home in Canada. I remember the last time I was with him and Vicki in Disney Land. He gave us a great time and memories we will never forget. His sense of humour always made me laugh and his loyalty as a friend I knew I could always count on. We loved him and he was more than a friend to me - he was a brother and his loss was devastating. He will be greatly missed and he is in my memory always. Losing someone like him makes it hard to get over. May God bless his soul.*

“ Great guy.... the best... he was a client of mine and I only have good things to say.... The world would be a better place if there were more people like him. We lost a good soul.

Lots of prayers and well wishes to his family. God Bless.
