“ *I've known Mother Rooks since I was about 3 or 4 years old. She was the only figure of a "grandmother" that I had in my life and she was the best. A real gift from GOD. I'm happy to have known her for as long as I did. Thanks for all the memories we shared. I'll love you forever and always!*

I know that God is the creator of life . Acts 17:24,25 the one who gave life to all living creatures is certainly capable of restoring life to someone who has died. He years to bring back those who are in his memory and to see them live on earth again.*
