“ *I got to know this dear lady over the years. She was my late uncle's wife. I was very surprised to learn of her passing, since I had spoken to her about a month ago or so. When my mom passed almost two years ago she was very kind towards me and my sisters. I will always remember her expression of kindness in this regard. Rest well Lilly till we see you in the morning. Ali and Trevor I know your mom meant a lot to you both in your growing up years. Accept my sincere condolence on her passing.*
