“ *She was truly one of a kind—thoughtful, generous, and deeply loyal to the people she held close. She kept a tight circle, and if you were part of it, you felt her kindness and generosity in countless ways. When a member of my family passed away, she went out of her way to do something incredibly thoughtful for my family, a gesture that perfectly reflected who she was and how much she cared for others.*

We worked side by side for many years at the Lexus/Toyota dealership, and she was not only a wonderful coworker but a true friend. She was also my lotto partner—every time I played, she made sure we had matching tickets, which still makes me smile. Her loyalty, kindness, and the care she showed to those she loved will never be forgotten. She will be deeply missed.

“ To know Mrs. Jackie was to truly love her. You were truly one of a kind, Mrs. J. God connected us for a reason far deeper than I could have ever imagined. To know the fruit is to know the root, beyond what is seen on the surface.

Andrea texted me on Sunday and told me she had a dream that you had returned to work. She said you came and sat at my desk, right where your computer and phone are now, and that you looked so good. Andrea told me, “You’re going to be fine.” I responded, “Praise Jesus,” filled with excitement until I received the news that you passed that very same day. We truly believe you were coming to say your goodbyes because you enjoyed working at Treasure Coast Lexus.

Lovely lady, we are going to miss you so, so much.
P.S. — “What’s for breakfast?” And by the time breakfast was done, we were already ordering lunch.

We have so many memories of you—memories we will forever dance with. You will be truly missed, Mrs. J.

“ Jackie was such an important part of our Lexus and Toyota family . Knowing she is celebrating in heaven surrounded by love and those she loved that traveled that road before her makes the pain of seeing her empty chair every morning a little easier . Blessed to have had her in my life . One of God most blessed gifts to me.

“ Jackie was truly one of a kind. She had a heart so full of kindness that once she cared about you, she would give you the world without hesitation. At the same time she was no-nonsense person who wasn't afraid to speak her mind and stand firm in who she was. As a friend and coworker, she brought honesty, strength, and compassion into every space she entered. Jackie had a beautiful way of making people feel seen, valued and supported, even when she is telling it like it is. Her generosity of spirit, authenticity, and gentle strength will never be forgotten. Though she is no longer with us, the love she shared and impact she made will live on in all of us who were blessed to know her. She will be deeply missed and forever cherished.

“ Jackie was a wonderful friend and coworker with a heart of pure gold. She challenged those around her to be better, and those she let in were blessed with her loyalty and friendship. I am so grateful and privileged to have been one of them. Rest in peace, my dear friend. You will be missed more than words can say.
