“ *In memory of Uncle James Crew. You probably didn't know the positive impact you had on so many lives- from helping us and others learn valuable life skills and trades that would be ours forever, to showing us how to live-daring life to stop your zest! You were always a phone call away and contained so much self taught talent from your singing to carpentry to your signature business- Pool Building & Maintenance. You were the first person we knew with a SPA!! lol. You lived lively and in color!! We will miss you dearly. Love, Kim, Keisha, Peanut and our families.*
