“ *Amina & Sadik,*
We want to send our sympathy for Jim's death and health struggles. We really enjoyed our visit with you in 2011 on our way back from our Panama Canal cruise. We always enjoyed having Jim visit here. I remember telling him and Sadik it was snowing at Mary's prayer service, and the time they spent Christmas dinner with us after the blizzard cleared and also riding snowmobile. Steve's mom, Betty, remembered having small pox when Jim was born. Lodema must have had small pox because Jim was born with it. The house was quarantined but Lester was working nights at the depot and snuck into the basement to sleep. They lived in a house across from the church [Grace Lutheran].

Hello!

Thank you so much for sharing your message!

It warms our hearts greatly to see it, you have no idea. It's been incredibly difficult and the love you send, though the distance is great, helps so much. We know he was loved very much by very many, and we are keeping all of you in our prayers. I'll be uploading some pictures of him to this website; just some snippets of him, and if you or anybody else would like to share those, than you may; and if anybody else would like to right a memory of share any photos of him that they may have, they should absolutely feel free to.
