“ Hey granddaddy. Lord knows I wish I had the words to explain how much I miss you. I pray this feeling of emptiness goes away because I know you would frown on that. This pain though granddaddy, I don't think it will ever go away. I miss hearing you call me Fay-Kee-Tiff-Kry-Char-girl....you know who I'm talking to. Granddaddy the only thing that brings me comfort at night right now, is knowing you are no longer in pain nor suffering. I am going to hold my head high and hang loose granddaddy, only because you told me to.

*I love you and
miss you dearly,*
