“ *It's hard to put words together for you that could actually explain how truly blessed you made me feel. All I can say is that you became one of God's greatest gifts to me. I keep picking up my phone looking at your pic, wishing we could have one more moment to talk or text, one more time to say how proud I am of all you had accomplished. Or to just laugh at you when you use a bad word and say oops Goddie m bad and I remember you grown and laugh some more. But I Thank God for allowing you & your Mom to choose me, to watch you grow from the little girl at the Boys & Girls Club into a Beautiful Woman, Mother and person....Now you're a Precious Angel in the arms of God and Momma T..... I scream Glory Hallelujah because i know you're in a better place....and that's what gives me peace of mind and Joy.... I will never forget you, always love you and truly miss my oh so real God Baby....Sleep in Peace til we meet again.... Your Goddie Dwayne D.*
