### Moms Last Words

Kimorrah “Angel” Sheffield my love, I want to thank God for giving me the most beautiful 9 years of my life to the challenges to the smiles and laughter we shared. Doctors told me I would face many days and night of hard times trying to care for you. Whereas God showed me doctors knew nothing of his plans, but you out lived the life spans they gave to you, and I wouldn’t trade it for nothing in the world. I love you for all the challenges you gave me. But when it came to the cries, and fears it was nothing that God couldn’t get me through. Each and every moment we spent together I would do it all over

again.

I love you "My Tanka Bug" and I will see you again.

Fathers Last Words

My Angel I never thought for a second in time that I would see the day when you'll spread your wings so beautiful amazing and you'll peacefully fly away. My heart is heavy, extremely broken and so sad are my days. You were needed in heaven there is no denying that and God did not delay. Just 9 years old so strong, beautiful, and fighting a battle every day. The Lord had a plan with your script in hand and it read Kimorrah's battle must end today. So, fly high Angel and let your bright beautiful light shine for us all the way, I'll look to the sky to remember that smile, that will comfort me the rest of my days.

Sleep in Peace Angel

Eric Jr.'s Last Words (Brother)

Letter to my Lil Sis

Baby sis, your presence with me sparked a whole new energy that could not be contained. There were so many things that we were supposed to accomplish together, but God called you home I will never forget the smell of your hair the way you smiled, and how it lite up my heart each time that I spoke to you. I have to make sure that the inspiration you've created in your memories lives on. Because I know that is what you would have wanted me to do.

Love you Lil Sis

Kivon's Last Words (Brother)

Sister, since you passed away life just hasn't been the same, I would move

heaven and earth to have you here with me again. The times we spent together meant the world to me, your laughter and your precious smile as we grew up so happily. From taking you up and down stairs, putting you on the school bus and the gentle kisses on the forehead before sending you off to school. None of our times together will ever be replaced.

Love, Kivon

#### Jaquan's Last Words

Angel, brother will always miss you. May you rest in peace, I remember those good times we had when it was just me and you at the house and we would watch T.V, and sleep/relax while mommy would run around the world to make sure we were ok. I want you to know that your brother will always miss you and I love you.

Love Always, Quan

#### A Poem from Grandma

(Sheila)

You're one of heavens angels now,

A perfect little star,

And when you shine the world can see how beautiful you are,

May you fly with magic wings,

On clouds so soft and white,

May your heart be joyful,

And your days be bathed in light,

And though our hearts are broken,

And your life was far too short,

We thank you, sweetest Angel for the happiness you brought.

Love, Grandma

Poem from Aunty Lola and cousin Renada

I am learning how to live in a new way,  
Since that day you were taken away.

I am learning how to live, with the things left unsaid, knowing I got to say them  
with every tear I shed.

I am learning how to live, by embracing the pain  
Knowing that you live on through the memories that remain.

I am learning how to live, knowing I will never see your face again and I have  
peace knowing you're in a better place.

I am learning how to live, knowing you're in God's care it gives me the strength  
to move on it makes the pain much easier to bare.

Love, Aunty Lola Cousin Renada

A poem from Kimorra to Family

I am in in Heaven

God took me by the hand, wrapped me in His love, gently led me to His land. I  
will always be your baby our hearts joined by the love. Perfect as an Angel, I  
am watching from above. I am apart of you, though brief the time we shared.  
Take comfort, be healed, I'm safe in loving care. Remember me with joy, lift a  
smile to the skies. Say a prayer for me, let there be no sad goodbyes. One  
day we'll meet again, a lifetime I will wait. You will know the little Angel with  
outstretched arms at Heaven's Gate.

Love, Mommy Angel Kimorra
