“ *Your sweet smile approaching me every single time we see each other, and you calling my name, KK! It's like the sound of music. I will never forget how you took such great care of me for several summers, Aunt Leatha. I love you and will miss you forever! Always in my heart, Karen Shaw*

“ I had lived 3 houses north of Mrs. Carroll on the opposite side of the road for more than 20 years before my dog introduced us. He was a “mama’s boy” and was rarely out of my sight. I worked in my front yard alot and knew if I missed him he would be at Mr. Benefield’s on the same side of the street as my house, but this day he noticed Mrs. Carroll sitting outside on her porch and crossed the street. Previously on speaking terms as I took my daily walks alone, my dog and I became regular visitors with her. When she would refer to my dog as a girl, I’d always remind her that he was a boy. Didn’t matter. She still called him a girl. She loved the way he smelled her roses. She was such a gentle and pure spirit. Most memorable was she always, always praised God. She was a living testimony of the goodness of God and all He has called us to be as Christians. My sincere condolences and prayers for the family.
