What a sad time...have known Jessie for probably 30 years and he "treated" me for so many maladies. So knowledgeable and always ready for classes to learn more. He was so proud of his family and their many accomplishments . I called him on his every birthday to catch up. Will really miss our friendship. He definitely made an impact on everyone who knew him. I am so sorry for your loss. Jesse was the sweetest, dearest, purest man I have every known. He loved his children and grandchildren so much! I know you will all miss him so much. He was a light in this world!
