“ *My Deepest sympathy to Ms Lorene Ford I'm sorry for your loss. Ms Ford was the first trainer to train me as a bus driver In 1993 to drive the bus for Broward County School board. She made sure you got it down . you would have to do it until you do it right we went in the neighborhood in the area where she lived. And I'll never forget when she asks me. Are you sure you never drove a bus before I told her no and we both Laugh about it. I always asks about her nobody could tell me where she moved to. But all I can say she's going to be mist. And I know she have had a lot's of driver who train under her and he still driving today and I'm one of them. So family keep your head up in prayer. I'm going to miss her. Rest in Peace Ms Lorene Ford. You're in God's Loving arm to her son Billy keep your head. My and you went to school together Alphonso take care family god got this.*
