“ I am still in shock of this news, Lori I know you're in a better place with God resting. I went back and looked at our last talk and our words of encouragement to each other. I am going to miss our talks of God and his goodness toward us and your last message you did at your church. I know you're resting In the arms of our savior. You will be missed and I am praying the strength of your family that the Lord continue to strengthen them at such a time Your memories will be with me until we meet again my sister sleep on ❤️❤️❤️
