“ Darling family, although I only met your dear mother & matriarch on a couple of occasions, it is very clear that she was an incredible & incomparable woman! I know many of you, & your bond & love for one another, community & God are a testament to her life & example! Your dedication to her & great care for her are a testament to the type of love that she taught you. She was an incomparable & virtuous woman. She will be greatly missed, but thank God for the fruit that she left behind! -Ayanna Miller
