“ *Judge M. Dwight Evans, my mentor, a guy who I looked up to since I was in grade school and running around the Evans house. Being the fourth son of Mr,& Mrs Evans a family that I quickly became a member of and I know they loved me as much as I loved them. Dwight was always there to give me a good laugh as well as great advise. I will miss his physical being, but will forever in my heart keep the memories and words of wisdom.*

“ *To the Family of The Late Honorable Dwight Evans.
It is with deepest condolence that I send my memories of such a wonderful, delightful, and love to a beloved Family friend. Dwight was a dear friend to my late husband and they would share all kinds of fond memories of achieving great success., their kids, issues about work, new laws etc., I can recall countless hours when they would spend on the phone laughing, attending ALJ meetings and sharing memories from their college days. I too remember the times we would all join in on the phone and share stories of day to day life events. Drike, as my husband would call him, had an answer for everything. He was a sweet kind friend to our family. To the family, I know that this is a very difficult time for all of you., however, Judge Drike, lived a blessed and purposed filled life that allowed him to travel and do so many winderful things. To his children, keep praying and asking God for strength. To his beautiful wife, know that you were his bestie. We lost our love one, Judge Willie Rose on last year. Remember, God is with you in these difficult moments. Drike was truly a great friend to our family. We will certainly miss him.
From the Family of the Late Judge Willie Rose of Madison, Mississippi.* ❤️ 🎈 💕 🌹

“ *Dwight my most precious friend and one of the most greatest conscientious attorney anyone could ever know. My heart is heavy and my peace comes from knowing that he is resting in the bosom of our Father who loves beyond what we has humans can only imagine*

The shock to hear that he was in such grave condition, was more than I could bear, I could barely sleep last night. Dwight was a dear friend of our family " The Russell's" of Pompano Beach. We all had history with him. I pray for peace in the heart of his family, especially the children.

Rest in peace my friend, now you're truly healed.

“ I’m am thankful to have known Dwight and the entire Evans family my entire life. Dwight was one of first young people to attend college and graduate from Law School. He blazed at path for the younger children at Antioch Baptist Church and beyond to follow. A quiet leader, a devoted family man and longtime member of the Body of Christ Dwight was one of the best. I will miss my Brother in Christ but I look forward to seeing him again over yonder.
