

Manouche Dantinor

September 25, 1981 - February 18, 2024

Manouche “Lisa” Dantinor was born on September 25, 1981 at Baptist Health Bethesda Hospital in Boynton Beach, Florida. She passed away peacefully in her sleep on February 18, 2024, with her family by her side. Lisa was only 42 years old.

Lisa leaves behind her husband Horace Atkinson, mother Edith Exantus, father Rodas Dantinor, children Phenol J. Lully and Andre Atkinson. Forever remembered by her siblings Suzie Dantinor, Ronald Dantinor, Marlene Dantinor, Sheena Dantinor, Lauren Dantinor, Daniel Dantinor, Roland Dantinor and Aunts and Uncles.

She grew up in Pompano Beach, Florida and attended Northeast High School. She later on attended Georgia Gwinnett College where she received her Bachelor’s degree in Human Resources and a Master’s degree from Columbus State University.

Lisa was an energetic, outgoing, loving, and kind person who loved to eat, travel, and make new friends. Lisa had the biggest heart and was incredibly compassionate. She was a private person but also witty and fun! She also loves helping others and showing grace to all mankind. She saw the good in everyone and impacted those who encountered her. Many may wonder what their purpose is on earth but for Lisa she knew hers; and that was to service

others. She believed that God brought her into this world to be of service and once she completed her task the Lord called her home.

Lisa was a beautiful person inside and out. She cared so deeply for the people around her and made an impact on many lives. She will be forever missed. Until we meet again!

“ My sweet cousin Manouche, I'm soooo blessed to have known you, to have been able to experience your love, to have grown up in front of you, to have held your hand and kiss you one last time. I'm so thankful for your life and I'm so happy to have been apart of it. You are such a beautiful person inside and out with a joyous spirit. Whenever you walk in the room you light it up. You're always so encouraging & have the best positive words of affirmations, you always told me how proud of me you were & that always meant the world to me. Thank you for the fight you've fought, you're the strongest person & I'm so proud of YOU cous! I'm happy you're at peace now with no more sufferings, even though I miss you everyday and wish you were still here but you're too good for this world, you deserve to rest in peace and to be with all the angels. Truthfully when you are done with Gods task he calls you home, you have touched so many lives & you'll forever be missed. To know you is to LOVE YOU! To the best big cousin, thank you for those encouraging words, the wisdom you've spread and all the love you've given me. Until we meet again my sister! I LOVE YOU FOREVER AND EVER!

“ *My loving Sister,
I am so grateful that I was a part of your life and your journey. Yes, you were are a true warrior; you took that battle head on and kept the faith for a miracle. The cancer or the stroke could not hinder our weekly phone calls and texts. We had such a great time living in Hawaii. We always planned something to do. If it's not Spa day, exercises, hiking, cruises, it would be relaxing by the water and sipping on a glass of wine. My Lord Lisa, you left a whole in my heart. Thank you for your sisterhood and love that you had poured into me. Thank you for always reminding me of the importance of self care.*

i will always remember our discussion about our skin care regimen. Lisa, you really left me broken, but now i know you are free from your suffering. I can still hear your voice sharing with me your good days, your treatment plan, even on your worst of days. I will always cherish those memories as I am still waiting for our weekly phone calls. Lisa, you are the most courageous, selfless, loving, and accepting woman I know.

Your gentle spirit will live in my heart forever. You were one of a kind.

Love, Esther

“ Lisa will be missed. She had so much drive and determination for life, not just education, but life in general!! We had planned to soon take a trip somewhere off US soil. We didn't know exactly where we were going yet, but I knew for sure, Lisa was gonna get those arrangements started. Me and Lisa were classmates, turned study buddies, turned FRIENDS! I am going to truly miss her. Condolences to the family ❤️

“ To my big sis Lisa:
I'm forever heartbroken, knowing you'll never call or text me again.
I'll miss our talks and vacations but I know you are in a happier
place, free of pain . I pray you can watch over me & Nas since I
know you've been given wings. You earned them for being such an
amazing human being to so many people. You will never be
forgotten. We love you!!!
