“ *Darryl and Danny,*

My sincere condolences to you in the passing of your dear Mother. She was such a close friend to my mother , Juanita Thomas. As I sit here and reflect on her memory I can only remember how Lovely , classy and a kind soul she was. In my early years she entrusted your care to me as I was your baby sitter for two summers and I will forever honor that trust. She believed in "It Takes A Village " before we ever heard the phrase and She encouraged me as I started Nursing school and was so encouraging in all my struggles until I graduated. She was there for Tunita and coached her to become the first African American student to place second in the state in Extemporaneous speaking , a first for an African American School, Blanche Ely High. Tunita could not have done it without her. She would always say you both are my girls and we truly respected her and felt she was a woman worthy of full respect. My heart is at peace to know she has now entered into eternal rest with her Lord and Savior Jesus Christ . She raised you both to become Christian Men and I know you will walk worthy of her trust and cherish her memories for the rest of your days. To God Be the Glory as we honor her Life !

PO

Ms. Holmes was the best Home Economics teacher at Deerfield High School in the 70's. Very sweet person.
