My Deepest sympathy to Marion sons and Grandchildrens Im sorry for your loss. Your mom was an 🙏 caring woman and a heart of gold. I'm going to miss hearing her voice and her lovely smile. Me and Marion went to Pompano beach high school together in which she graduated before me. Marion and were friends first and co-workers at broward County school board. To know Marion you've to understand her she was a very out spoken woman always talking about the lord. When she retired I would always asks her best friend Kim about her. I'm really going to miss her presence and hearing her soft voice. The lord sent his angel to the garden and pick this beautiful soul to a heavenly place of no more suffering, pain, and worries. I just want to say to the family of Marion Mcdonald look up. And I'm asking to lift yall up in his arm's to comfort you in this extremely loss. Mom might be gone but her spirit will always be there when you need her. Take care family and God bless you.
