“ And if I go, while you're still here ...

Know that I live on, vibrating to a different measure...

Behind a thin veil you cannot see through.

*You will not see me,
so you must have faith.*

*I wait for the time when we can soar together again,
all aware of each other.*

Until then, live your life to its fullest.

And when you need me, just whisper my name in your heart...

I will be there...

I love you...

*May the road rise to meet you, may the wind always be at your back.
May the sunshine warm upon your face, an the rains fall soft upon your
fields. And until we meet again, may God hold you in the palm of his
hand.*
