I am so sorry that I can't be there for my sisters memorial service. I call her sister even though she was my sister in law in name only she was always important to my whole family she will always be "My Sister". I am already missing you so much. I will always be here for my nieces and nephews. Go ahead and take your well deserved rest. To be absent from the body is to be present with the Lord. May God give us all his strength today 🙏
