

## Merilus Etienne

November 10, 1947 - July 17, 2022

### Obituary

On November 10, 1947, Clerius Etienne and Ismelia Octama gave birth to Merilus Etienne in Haiti. Where he had his children Merilla Etienne and Renand Etienne. In later years he migrated to the Bahamas where he met his now wife Montilia Etienne and his step kids Island Norelus, Alexis Paul and Annie Norelus. Then on July 27, 1979 Harold Etienne was born. A few years later they migrated to the United States, where he worked for Robert Bosch for 20+ years. Within those years Merilus became an Entrepreneur. Not only was Merilus determined to be a business man. His main blessing was his family. He loved his family and loved to surround himself around his family whether it be random dance parties in the living room, random calls to either have a barbeque and music, or even random calls to take the whole family out to eat. His happiest moments were the smiles that he formed on each and every loved one's faces. On July 17, 2022 Merilus Etienne was chosen to be an Angel over his family, he will forever be remembered and loved.
