*My deepest and most sincere condolences to his family. I didn't know him long, but I definitely saw that he made an impact at NSD. He was the youngest supervisor and had so much life and potential ahead of him. He always made sure to come around and say hi any time he saw me. He had such a presence about him. He was definitely one of a kind.*

“ *Montel was such an amazing individual with so much tenacity. He was so driven, so helpful and ambitious. His life had only just begun. There are no true words that can be used to express how impactful and helping he was to so many. May he rest in peace.*
