“ My condolences to the family of Nancy Bozeman. Ms. Nancy, I don't know where to start. All I can say is you was a one of a kind genuine soul. She was a very close friend, and she treated me like a part of her family. Sometimes we get on one nerves, but it didn't last a day or two, and then we laughed it off. She would do things for me when I had no one to come in that link of time, and we never charged either one for gas. I'm going to miss her smile, laughter, joking around, and talking about the animals going from yard to yard. I'm going to miss you lady and I never thought that day I dropped you off to the hospital would be the last and final day I see you but through it all your body was tired and your cries was heard and was delivered to our heavenly father eternal rest I know one day when my time comes we'll meet again for our reunion rest on Ms. Nancy, I'm going to miss you. Love Laura & Family
