“ *My deepest condolences to the Johnson's family. Gone too soon, your body is no longer existing among your love ones, but your spirit lives on. I've had the privilege of knowing your daughter Stephanie, before I even knew her, I saw something special about her and it was the love of God and love for her family. She spoke of the love of God, and family that her mom instilled in her children and how to treat others with love and respect. May God's love, your love and legacy continue to shine bright through your children and your children's children. Rest in peace mother Nancy Johnson.*

“My mother, Nancy Thompson Johnson lived her life in service, love, and strength. From her early years as a nurse, caring for others with compassion, to the countless moments she poured her love into our family, she was a light in every room she entered. Her smile, her laughter, and her faith shaped who I am today. Though my heart aches, I know she continues to live through the lessons she taught me, the love she gave me, and the legacy she leaves behind.” I love you mama (RED) ❤️👍
