“*Nejib was a wonderful young man. He loved his family, his wife, his girls, his friends. He had a passion for music. He was so smart and talented. He always made you feel welcomed and loved and was so incredibly caring and generous. I cannot imagine a world without his light shining but his light will continue to shine on his loved ones . His passing is an unfathomable tragedy and it will be felt for years to come. I can only wish strength and courage to his incredible wife Louisa, his two beautiful girls and the rest of his family and friends. Louisa we are all with you and we will be with you every step of the way. My heart goes out to you , Lydia and Ines. He lives on through those precious girls. My deepest condolences to all of you. May God give you strength. Love you all.*
