“ I extend my condolences to the family of Norma Sharp. She was my classmate and Alexander Hamilton Junior High School and John F. Kennedy Senior High School in Cleveland, Ohio.
My memories of Norma are fond and bright. I was blessed to know her as a friend and a classmate for six years.
She now rests with God and The Ancestors. Blessings and comfort to her family. Hold on to your precious memories.

“ My condolences to the family. My name is Maxine McClendon and I met Norma because my sister Valerie Tacker worked in the same agency that she did. I worked in the federal building also but in a different agency on a different floor. Sometimes I would come to visit my sister and I would bump into Norma from time to time.

Norma was so funny and would let you know how intelligent she was through the many stories that she shared with me while she was in college and I enjoyed them. Like a little kid at bed time.

Norma you will be missed because not only were you my sisters' friend but also mine. Rest in peace beautiful queen.

“ So today I remember my friend, Norma, mourn her loss, and look to you in hope of the promised restoration of all things. I lay my burdens down at the feet of Jesus, who bears our sorrows and griefs, and I set my trust in the One who defeated death forever. Until that day when we shall see you face to face, I must walk by faith. Increase my faith, Father, and and be glorified in my life even as you have been glorified in the beautiful life of Norma. Bless and care for her daughter, Marissa. In Christ’s name I pray, amen.”
